

HALTER HOUSE

The Halter House keeps your halters, lead ropes, bridles, fence chargers or miscellaneous tack & supplies dry, and protected from the elements. Hinged door easily swings open by pulling the leather handle. Three double hooks give you multiple storage options. Hanging on a rail fence is easily accomplished with the provided mounting brackets. Part # MB-20 is recommended for pipe panel fences. The Halter House can also be secured directly to a flat wall with lag screws and washers. The durable, UV protected, Poly construction ensures the Halter House will stay looking great for years to come.
